MOST POPULAR GIRLWinners in the Various Contests
Held at the Moose
Carnival.

Brown's Greater Shows which exhibited at South Side park all last week closed on Saturday night and have gone to St. Marys, leaving behind them the impress of one of the best carnival attractions ever shown here. The attendance throughout the week was excellent, and the exchequer of the local lodge of Moose was enriched to the extent of several hundred dollars. The exhibition was produced under the auspices of the local lodge and the assistance rendered by the lodge members figured materially in the gratifying results. A part of the proceeds were set aside by the show management for the local chapter of the Red Cross and they too were benefited financially to quite some extent.

The popularity contest which was one of the features of the week created considerable interest and the voting was spirited from beginning to the close. The winners in the diamond contest were: Pearl Hixenbaugh who took first prize having received a total vote of 16,833; Mabel Heinze was next with 12,363; and Ruth Vance was presented with a diamond lavalliere for having made a vigorous campaign.

William Ribeldaffer captured the Bicycle contest with 2069 votes. In the doll competition Alma Kopp received 1598 ballots and Mildred Sturm and Thelma Anderson were second and third prize winners with 1439 and 1210 votes respectively.

In the Homely Man contest, which

furnished a lot of good-natured amusement was awarded to a popular member of Dick Sherwood's staff of tonorial artists. "Shorty" got 280 votes and Joe Hartley 702, while Clifford Bell secured 608 without the slightest effort on his part.
